BILLIONAIRE

Registration First Step

After you access the photos.billionaire.life homepage, go to the registration where you need to fill in 4 questions, after that you log in to the network and you need to verify your account via e-mail address

Email Check

After you get a white window with green text in which your correct input is confirmed, you need to go to the entered email address and check whether the verification email has arrived. Attention, some email providers can save this type of content in the SPAM folder and it is necessary to mark such content as desired or mark it with a star. For all security questions, visit the privacy section

First picture

When starting the network for the first time, you need to put a picture or bypass this question. If you use a free membership, this is the only option you can use to upload pictures. All additional content is reserved for premium users.

Another piece of information

Depending on your wishes, you can enter your first and last name or skip this question in order to transfer your account to a business account later.

Upload and limits

Premium users can upload and sell their pictures with a minimum share of the network.

All free users can only comment or like the posts of premium users.

Pro member

If you want to upgrade to a premium membership, you can do so via the Go Pro navigation panel.

When you access this page, press Upgrade and go to the wallet to add funds.

After adding funds to your account, press Upgrade and Pay

Payment

Add the means of payment.

When you click on your profile picture in the drop-down menu, you can see the wallet option. By clicking on wallet, you get to the page as shown in the picture, in the Add Money field, you can enter the desired amount and press add and then press the PayPal icon.

you have completed the payment, the added amount will be on your account. You can actively use money online to buy pictures or extend your membership.

Support

If you have any questions or need help regarding use, you can contact the support team by contacting us through the official Support page as indicated in the picture.

You can reach this page by entering in the search field that enter the name support and in the drop-down menu you will be able to see a profile with a verification badge.

After that, send the desired request.

This option is available to all members.
