

INSTRUCTION MANUAL  
VIDEO

**BILLIONAIRE**

# Registration First Step

After accessing the main page of tv.billionaire.life, go to registration where you need to fill in 4 questions, after that you log in to the network and you need to verify your account via e-mail address

# Navigation panel

After you have successfully activated the channel, you can edit your profile as you wish with some restrictions. You can upgrade your channel, manage your channel, run ads, monitor statistics, edit video clips using the navigation panel.

## Pro member

If you want to upgrade to a premium membership, you can do so via the Go Pro navigation panel.

When you access this page, press Upgrade and go to the wallet to add funds.

After adding funds to your account, press Upgrade and Pay

## Payment

Add means of payment. When you click on your profile picture in the drop-down menu, you can see the wallet option.

By clicking on wallet, you get to the page as shown in the picture, in the field Replenish My Balance (Replenish) you can enter the desired amount and press add and then press the icon PayPal or crypto payment.

After you have completed the payment, the added amount will be on your account.

You can actively use money online to buy video content, donate money or extend membership.

## Pay or stay free

All users who want to join our club need to use one of the mentioned types of membership.

Only users who are already PRO members have the right to invite 10 friends for free.

## Guest

As a guest of the network, you have restrictions on using the network as well as on creating content.

Below you can check what possibilities you have as a guest.

Membership is not limited by time, but illegal actions that do not comply with our privacy policy can result in the instant loss of membership and access to data.

# Support

If you have any questions or need help regarding use, you can contact the support team by contacting us through the official Support page as indicated in the picture.

You can reach this page by entering in the search field that enter the name support and in the drop-down menu you will be able to see a profile with a verification badge. After that, send the desired request. This option is available to all members.

For additional questions, use one of our twitter profiles
